

A large, stylized Python logo on the left side of the slide. The top half is blue with a white circle and a white horizontal bar. The bottom half is yellow with a white circle and a white horizontal bar. The logo is partially cut off by the left edge of the slide.

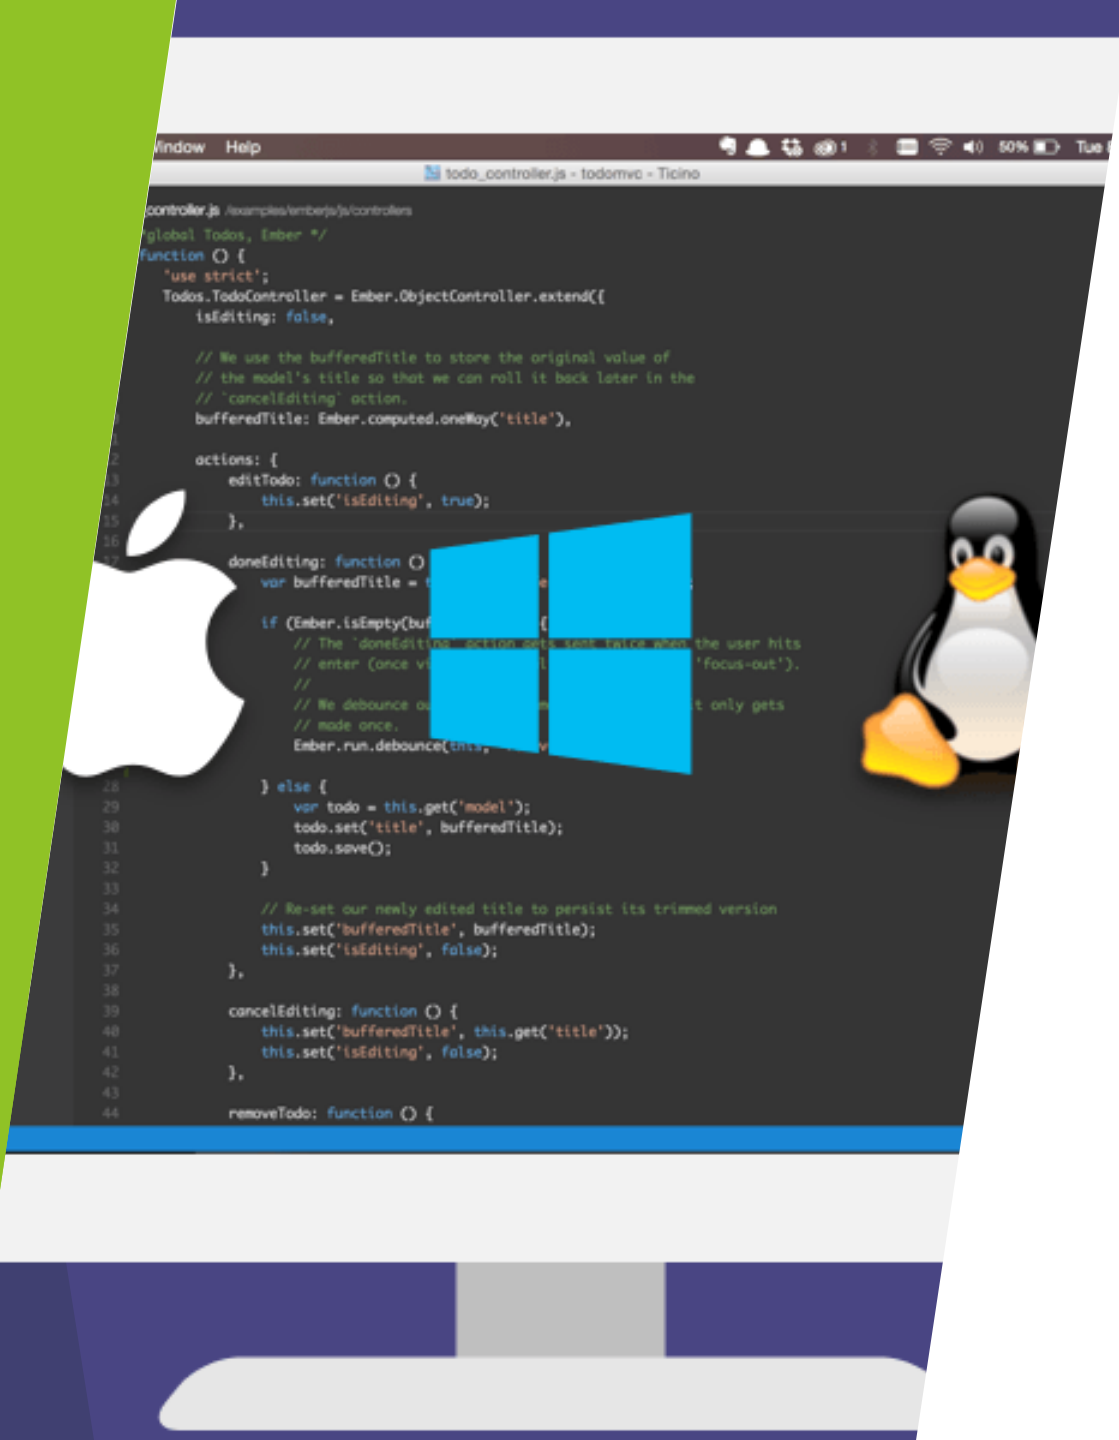

# ¿Porque Python?

Leonardo E. Salom Muñoz

Es opensource

# Es multiplataforma

A close-up photograph of a hand holding a sharpened orange pencil, poised to write on a piece of lined paper. The paper features handwritten text in a cursive script, which is slightly out of focus. The background is a white space with green geometric shapes on the right side.

Es muy parecido a  
leer y escribir en  
ingles

Fácil de instalar

An illustration of a hand with a light skin tone, shown from the side, with the index finger pointing and clicking a large red rectangular button. The button has the word 'INSTALL' written on it in white, bold, sans-serif capital letters. The background consists of light gray and white geometric shapes, with a green abstract pattern on the right side of the slide.

**INSTALL**
